 French : native

# JOSHUA HELLENIS

LOOKING FOR SIX MONTH  
INTERNSHIP IN THE OUTDOOR  
INDUSTRY STARTING THE 27 OF  
FEBRUARY 2024

## PERSONAL PROFILE

I'm a dynamic and adventurous person. I'm 22 years old. I come from Toulouse, and I've always been passionate about sports. In 2019, I graduated from high school (baccalauréat) and entered the STAPS stream. After my licence 1, I specialized in sports ergonomics. At the end of my degree, I did an internship with a large company. It was a great chance then I wanted to get back in touch with the world of sport.

Joining the OSDD program in 2023 is an opportunity for me to develop my knowledge of design and project management. I'm keen to do an internship in the outdoor industry to put into practice what I'm learning this semester, learn more in the field and discover new perspectives.

## LANGUAGES

**French** - Mother tongue

**English** - Level C1, Fluent

**Spanish** - Level B2, language exchange

## INTEREST

Rugby, Surf, Tennis, Trail, Music, Art, Hiking

## PROFESSIONAL EXPERIENCE

### Head of Design

**Bridger Gear (2021 - 2023)**

Lead market research, design, product line management, development, and marketing for the new brand based in Logan Utah. It was my job to create tech flats, prototypes, mood boards, brand identity tool kits, and graphics. I also oversaw every marketing campaign consisting of photoshoots, social media, and webpage design.

### Graphic/Fine Artist

**Freelance (2015 - Present)**

My experience began with large scale muralism and portraiture but slowly evolved to graphic art and brand visualization. Today I primarily work with musicians to help build their brand identity through EPKs, album covers, logos, and merchandise.

## EDUCATION

### IUT Annecy

**Outdoor Softgoods Design and Development  
2023-2024**

Receiving guidance, training, and on the job experience from professionals in the outdoor industry in partnership with Outdoor Sports Valley.

### Utah State University

**Outdoor Product Design and Development  
2020-2024**

Here I was given training and proficiencies needed in the outdoor industry, and was given many opportunities to do design sprints and conduct research with brands like NASA, Salomon, Cotopaxi, Grand Trunk, and MyMedic.

### Snow College

**Fine Art  
2015-2020**

I was classically trained to draw, and paint. I was also introduced to the principles and elements of design and was taught how to implement them in a variety of mediums like collage, assemblage, photography, etc.

## INTERESTS AND HOBBIES

At home you will find me in front of a sewing machine, or drawing with a cup of tea on my desk. I hope one day to have a home workshop where I can tackle all sorts of personal projects! I also love to go outside and rock climb with anyone who will go with me!

# AUDREY *Audrey Van Drimmelen* VAN DRIMMELEN

Designer for Outdoor Soft Goods

LOOKING FOR AN INTERNSHIP  
STARTING FEBRUARY 2024 IN  
Design / Soft Goods / Color

## PERSONAL PROFILE

Growing up in the Rocky Mountains of Utah, I developed a passion for the outdoors and a love for skiing. Additionally, I have always had a drive for art. With both of my interests, I'm a skilled designer with professional experience in the outdoor industry. Currently, I'm a student at OSV academy located in the French Alps.

## HOBBIES AND INTERESTS

**Style Hand-Written Wedding Invitations** - I have hand-written and painted invitations for 4 different weddings

**Sewing** - When I was 8 years old I owned my first mini sewing machine. Since then, I have been sewing my own clothes

**Skiing** - Growing up in a large family, my parents couldn't afford to take us skiing. I worked to earn money to go and learn myself. I have always been eager to learn develop skills in new sports.

English {Native}

French (Beginner)

# MARTIN VINCENT

## OUTDOOR PRODUCT DESIGN INTERNSHIP

### PERSONAL PROFILE

As a 24-year-old Belgian, I've always lived between town and country, between noise and silence, between the meticulousness of design and pushing the limits of sport.

Design is my daily means of expression, allowing me to express myself and my vision of the world. Sport in nature, for its part, is my refuge; it's through sport that I find myself and it's through sport that I can discover more about myself.

My current aim is to combine these two passions and become an outdoor product designer.

### SOFT-SKILLS

#### Perseverance

My passion for sport and trail-running has taught me to surpass myself on a daily basis.

#### Collaboration

My professional experience has taught me to communicate well and to work in a group.

#### Ambition

This comes from my curiosity and desire to explore new possibilities, which drives me to pursue my dreams.

### SKILLS

3D Modelling

3D Rendering

Adobe

English

French

Sketching

Prototyping

Fluent

Native

Drawing and rendering techniques.

Manual skills useful for prototyping.

+32 (0) 476 94 75 44

binair.dsgn@gmail.com

binairedesign.wixsite.com/my-site

### PROFESSIONAL EXPERIENCE

#### Polyvalent industrial Designer (Restore)

2023 (Jun-Sep) - 4 Month

Thinking, creating, modelling, rendering, producing and assembling furniture and lighting for Restore. Versatile work, in the office, in the workshops or assembling on site.

#### Industrial & Graphic Designer (Binair Design)

2023 (Aug-...)

Freelance graphic and product designer, production of products, graphic charters and decoration. Entrepreneurship, overall creative management, product production and distribution, customer relations, etc.

#### Industrial Design - Intern (Iol Strategic Design)

2021 (Nov-Jan) - 3 month

Integration into the office's overall product design process, managing a portfolio of products with different customers. Teamwork between different profiles, brainstorming, modelling, prototyping, customer meetings, etc.

#### Founder & Graphic Designer / CM (RECYCL'Art)

2020-2022

This project aims to make the most of off-cuts of materials by creating a barter system that is self-funded by the students and with a local currency. In charge of creating the graphic charter and visuals for communication.

#### Product Design (FACO Babylist)

2020 (Aug) - 3 weeks

Observation placement in a large company, visualisation of the company hierarchy and the design of a product integrating all parts of the company.

### EDUCATION

#### OSV Academy - USMB - IUT Annecy

Bachelor - Outdoor Softgood Design & Development

To provide future technicians with the right skills in the design and management of clothing, bags and textile accessories to succeed in the highly competitive outdoor sports industry.

#### Forem Liège

Certification - B2 English Level

Taking part in a refresher course in English for the Outdoor Softgood Design & Development course.

#### ESA Saint-Luc Liège

Master's degree - Industrial Design - Distinction

Responding to specifications generated by and for industry and being able to manage a project in collaboration with the different professions in the company's business world: marketing, engineering, production, economics, etc.
