Less stuff, more adventure through multiFUNctional clothing

The Original Neckwarmer Base Layer
Brand™

We pioneered the integrated neckwarmer base layer, and continue to innovate new constructions covering all needs for warmth and protection.

Eivy was created by snowboarder & fashion designer Anna Vister to challenge and expand the perception of how multiFUNctional Base Layers can be. From our snow fashion house in the mountain resort of Åre, Sweden, our vision is less stuff, more adventure through multiFUNctional clothing. We are family owned, value driven and independent.

Words from the founder
"I got the idea of the brand during a season of snowboarding in St Anton, Austria. Packing light was necessary

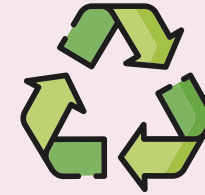

and the things I brought had to work in all situations.

My long time obsession of creating my own neckwarmers to protect myself from the cold while riding and a will to keep a streetstyle aesthetic for everyday lifestyle resulted in our groundbreaking neck warmer base layer.

I am driven by freedom, minimalism, sustainability, fashion and function. This reflects in every Eivy product. Stay #unboredonboard forever."

Anna Vister, Founder & Creative
Director

- Unbored Onboard since 09 -

By creating Oeko-Tex™ certified high quality, long lasting and multiFUNctional clothing we minimize our impact on the very nature we live our Unbored Onboard lives in.

Our base layers and fleece are made of GRS™ certified post consumer recycled polyester, lessening our CO2 footprint and dependency on virgin materials. We are constantly evaluating available fabrics and technologies in cooperation with Oeko-Tex® and Fair Labour audited / WRAP certified suppliers.

Sustainability through multiFUNctionality -
Our premium quality, original neckwarmer base layers excel at snowboarding, skiing, yoga, working out, travelling and adventures year in and year out.

The base layer fabric of your dreams -
Oeko-Tex™ certified 4-way stretch with brushed inside keeps you dry and warm. Non see through, fast drying, moisture wicking and UPF50 sun blocking.

Keep it clean - Our water free sublimation printing contaminates zero water and produces zero landfill waste as the paper leftovers from the process are recycled.

Pack light, go minimal - Get ready for never ending adventures through our multiFUNctional clothing.

Drop One & Two

Drop One

We are showing Drop One and Two of each season as illustrated above.

Key retailer upsides:
New items before Christmas

Spread delivery and payment during season for carryover styles available in Drop One and Two.

Full winter planning in one buying session facilitating cash flow and store planning.

Buy / adjust Drop Two up to mid May, with fresh intelligence on current winters sell through.

Key Brand upsides:
True to our DNA, a winter brand offering MultiFUNCTIONal Base Layers and matching pieces.

Longer production time frame for Drop Two, less risk of air transportation.

Designing the Winter collection as a holistic winter offering.

Increased resources available during summer for brand building, PR and content generation for increased sell through.

Downsides:
Bigger collection to show at once if only meeting during Drop One preorder timeframe.

No tradeshow contact point during traditional spring collection preorder period (June - July).

Major Updates

All base layers are made of GRS® Global Recycled Standard certified post consumer waste recycled polyester. Hand feel, UPF50+ UV resistance and technical properties same as previous season.

Rib program made of GRS® certified partially recycled nylon and polyester blend with brushed inside and non see-through properties. In store mid November.

All Fleece and Sherpa is made of 100% GRS® Global Recycled Standard certified post consumer waste recycled polyester.

All tights feature the new double layer waist with fully integrated phone compatible pocket, making them even more MultiFUNCTIONal.

Improved glue on our per-print custom base layer packaging / travel bag to not leave any residue when sticker is removed.

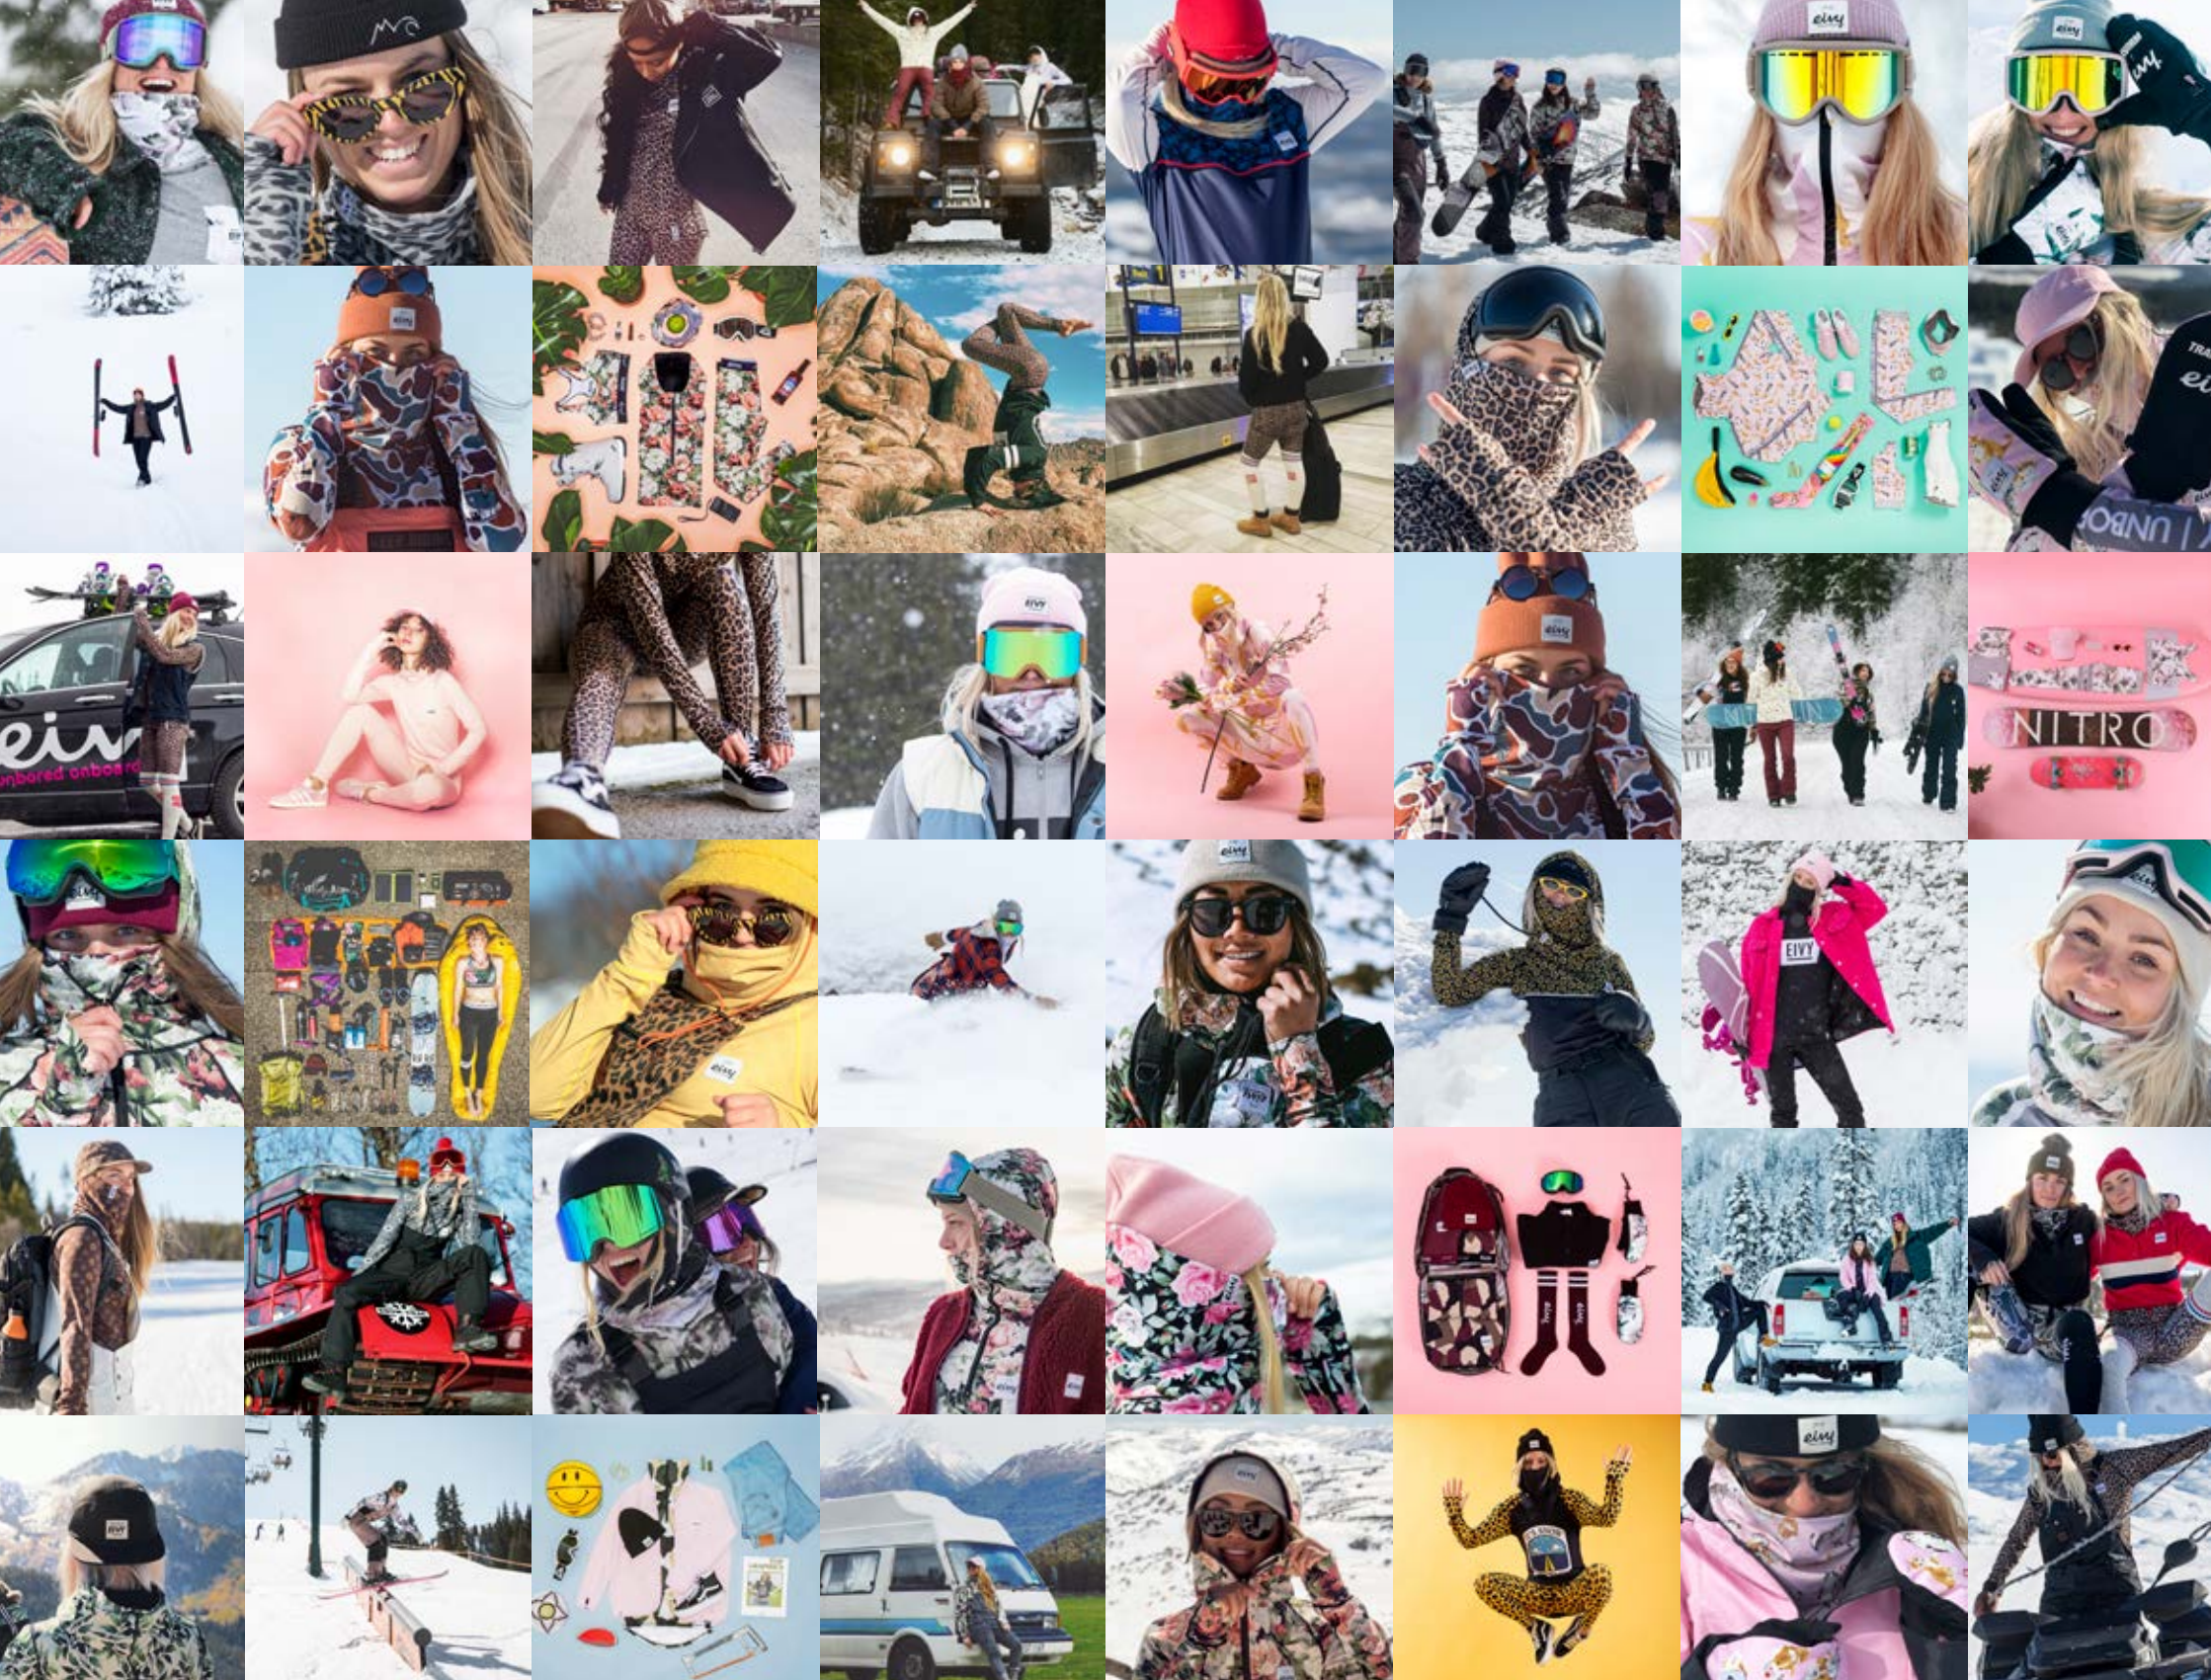

Harlem Travel Pants: The most MultiFUNCTIONal travel and lounging pant there is. YKK Vislon® zippers keep your stuff secure, waist drawstring keeps it adjustable and thick cuffs and stretchy brushed fabric keeps it comfortable.

Hinge Balaclava: Maximum stealth, maximum warmth. Pairs perfectly with our integrated neckwarmers on cold days, and vertically running seam keeps pressure points away from the forehead when wearing goggles and / or helmet.

POP Examples: Sticker packs (Graphic & Die Cut), Info hanger cards, Display stands. FSC Certified paper

Icecold Top | Team Black

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Tights | Team Black

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Rider Sports Bra | Black

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Integrated fleece stabiliser and warmth padding, phone pocket and woven label

Icecold Top | Team Raspberry

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Tights | Team Raspberry

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Rider Sports Bra | Raspberry

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Integrated fleece stabilisator and warmth padding, phone pocket and woven label

Icecold Top | Team Leopard

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Tights | Leopard

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Rider Sports Bra | Leopard

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Integrated fleece stabilizer and warmth padding, phone pocket and woven label

Icecold Hood Top | Leopard

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Harlem Travel Pants | Leopard

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Drawstring, ribbed cuffs, YKK® zipper pockets, woven patch and tone in tone wedge print

Icecold Top | Snow Leopard

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Tights | Snow Leopard

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Icecold Top | Bloom

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Tights | Bloom

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Rider Sports Bra | Bloom

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Integrated fleece stabilisator and warmth padding, phone pocket and woven label

Boyfriends Fit Top | Bloom

Loose fit GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Fleece lined hood, flat lock seams, thumb loops, extended back length and woven chest label

Harlem Travel Pants | Bloom

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Drawstring, ribbed cuffs, YKK® zipper pockets, woven patch and tone in tone wedge print

Icecold Top | Winter Blossom

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Tights | Winter Blossom

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Icecold Gaiter Top | Cheetah

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Tights | Cheetah

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Icecold Gaiter Top | Winter Bloom

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Tights | Winter Bloom

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Icecold Hood Top | Pink Python

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Tights | Pink Python

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Icecold Zip Hood Top | Autumn Bloom

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Fleece lined YKK® high collar hood, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Tights | Autumn Bloom

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Icecold Hoodie Top | Ivy Blossom

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Fleece lined YKK® high collar hood, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Tights | Ivy Blossom
(will have new 21/22 waistband)

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Boyfriends Fit Gaiter Top | Yellow Bee

Loose fit GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Fleece lined neckwarmer, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Tights | Yellow Bee

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Boyfriends Fit Gaiter Top | Green & Purple

Loose fit GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Fleece lined neckwarmer, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Tights | Green & Purple

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Venture Rib Top | Black

Loose fit GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Flat lock seams, thumb loops, extended back length and woven chest label

Harlem Rib Travel Pants | Black

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Drawstring, ribbed cuffs, YKK® zipper pockets, woven patch and tone in tone wedge print

Venture Rib Top | Grey Melange

Loose fit GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Flat lock seams, thumb loops, extended back length and woven chest label

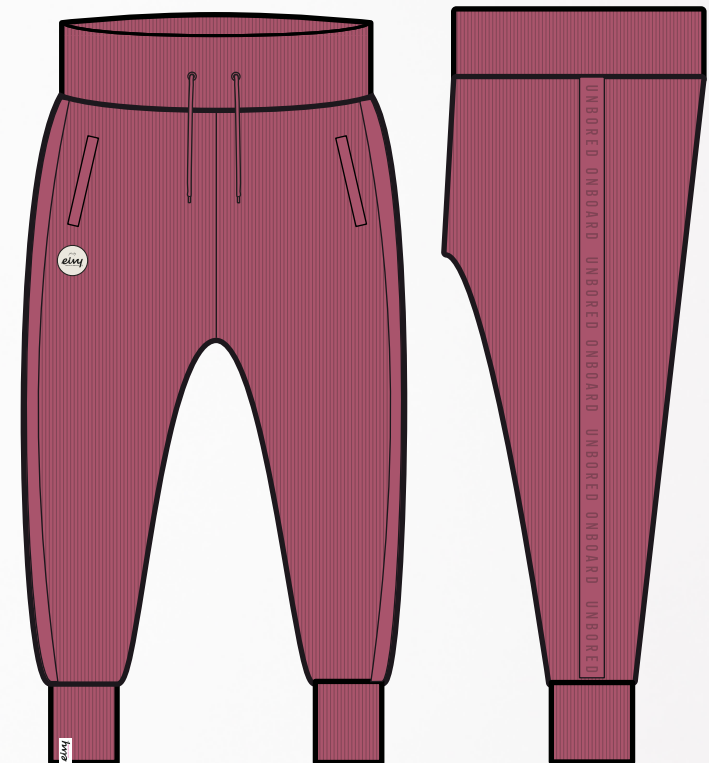

Harlem Rib Travel Pants | Grey Melange

GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Drawstring, ribbed cuffs, YKK® zipper pockets, woven patch and tone in tone wedge print

Venture Rib Top | Raspberry

Loose fit GRS® certified recycled, brushed, moisture wicking, fast drying UPF50+ non-see-through four way stretch fabric. Flat lock seams, thumb loops, extended back length and woven chest label

Harlem Rib Travel Pants | Raspberry

Oeko-Tex™ certified wool blend. Thick, soft and warm, no side seam, heavy gauge knit and sturdy woven label

Knit Beanie | Red

Oeko-Tex™ certified wool blend. Thick, soft and warm, no side seam, heavy gauge knit and sturdy woven label

League Beanie | Yellow Bee

Oeko-Tex™ certified acrylic. Thick, soft and warm, no side seam and sturdy embroidered patch label

League Beanie | Green & Purple

Oeko-Tex™ certified acrylic. Thick, soft and warm, no side seam and sturdy embroidered patch label

Drop Two

In stores mid november for Europe and Canada, consists of two parts:

Newly developed recycled nylon / polyester yarn Rib program in faded autumn / winter hues and packaging in matching colors, paired with wool socks and beanies to form an eye catching offering with maxed out multiFUNctionality and style.

Carryover styles to replenish sold out Drop One deliveries marked with Carro Over icon.

Icecold Rib Top | Faded Amber

GRS® certified recycled nylon and poly, peached inside, moisture wicking, fast drying non see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Rib Tights | Faded Amber
(+ woven waistband label in production)

GRS® certified recycled nylon and poly, brushed, moisture wicking, fast drying non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Rider Rib Sports Bra | Faded Amber
(+ woven chest label in production)

GRS® certified recycled nylon and poly, brushed, moisture wicking, fast drying non-see-through four way stretch fabric. Integrated fleece stabilizer and warmth padding, phone pocket and woven label

Venture Rib Top | Faded Amber

GRS® certified recycled nylon and poly, peached inside, moisture wicking, fast drying non see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Harlem Rib Travel Pants | Faded Amber

GRS® certified recycled nylon and poly, brushed, moisture wicking, fast drying non-see-through four way stretch fabric. Drawstring, YKK® pockets and woven patch

Icecold Rib Top | Faded Cloud

GRS® certified recycled nylon and poly, peached inside, moisture wicking, fast drying non see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Rib Tights | Faded Cloud
(+ woven waistband label in production)

GRS® certified recycled nylon and poly, brushed, moisture wicking, fast drying non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Rider Rib Sports Bra | Faded Cloud
(+ woven chest label in production)

GRS® certified recycled nylon and poly, brushed, moisture wicking, fast drying non-see-through four way stretch fabric. Integrated fleece stabilizer and warmth padding, phone pocket and woven label

Venture Rib Top | Faded Cloud

GRS® certified recycled nylon and poly, peached inside, moisture wicking, fast drying non see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Harlem Rib Travel Pants | Faded Cloud

GRS® certified recycled nylon and poly, brushed, moisture wicking, fast drying non-see-through four way stretch fabric. Drawstring, YKK® pockets and woven patch

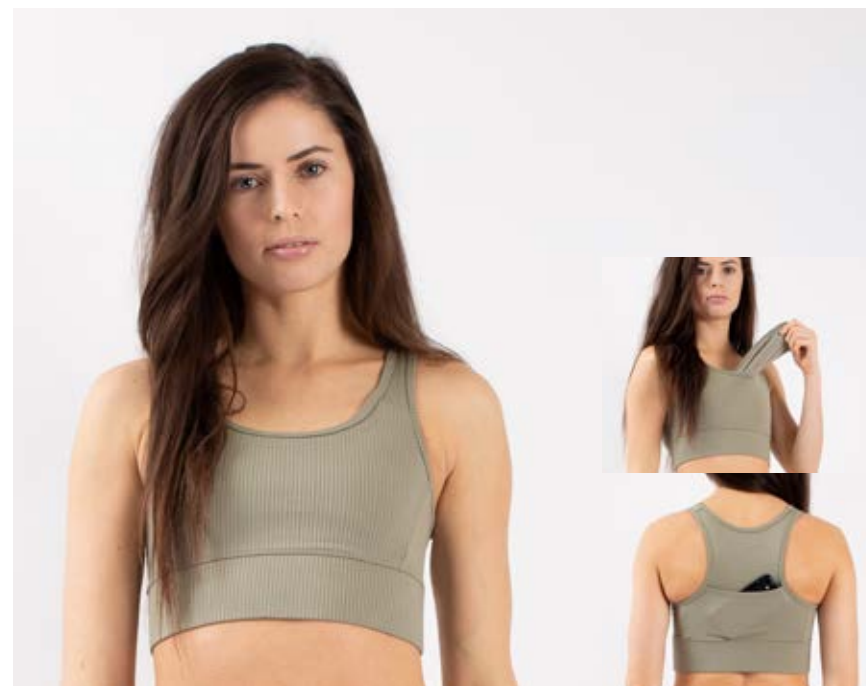

Icecold Rib Top | Faded Oak

GRS® certified recycled nylon and poly, peached inside, moisture wicking, fast drying non see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Rib Tights | Faded Oak
(+ woven waistband label in production)

GRS® certified recycled nylon and poly, brushed, moisture wicking, fast drying non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Rider Rib Sports Bra | Faded Oak
(+ woven chest label in production)

GRS® certified recycled nylon and poly, brushed, moisture wicking, fast drying non-see-through four way stretch fabric. Integrated fleece stabilisator and warmth padding, phone pocket and woven label

Venture Rib Top | Faded Oak

GRS® certified recycled nylon and poly, peached inside, moisture wicking, fast drying non see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Harlem Rib Travel Pants | Faded Oak

GRS® certified recycled nylon and poly, brushed, moisture wicking, fast drying non-see-through four way stretch fabric. Drawstring, YKK® pockets and woven patch

Icecold Rib Top | Faded Woodrose

GRS® certified recycled nylon and poly, peached inside, moisture wicking, fast drying non see-through four way stretch fabric. Fleece lined high collar, flat lock seams, thumb loops, extended back length and woven chest label

Icecold Rib Tights | Faded Woodrose
(+ woven waistband label in production)

GRS® certified recycled nylon and poly, brushed, moisture wicking, fast drying non-see-through four way stretch fabric. Mid high waist, internal pocket and woven patch

Rider Rib Sports Bra | Faded Woodrose
(+ woven waistband label in production)

GRS® certified recycled nylon and poly, brushed, moisture wicking, fast drying non-see-through four way stretch fabric. Integrated fleece stabilizer and warmth padding, phone pocket and woven label
